MEMORANDUM

Sub:- Formation of PPP cell in Bangalore Development Authority.

Preamble:-

Bangalore Development Authority is a designated planning authority involved in preparation of Development Plan for Bangalore, preparation of Schemes plans, approval of development plans for group housing, approval of building plans, formation of layouts, zonal regulation, formation of ring road, construction of Fly over and other infrastructure works. Few of the projects are proposed to be taken under public private partnership mode.

To invite public private partnership in the implementation of development of road infrastructure and providing Residential amenities and to initiate and keep continuity of such projects, formation of PPP cell is felt essential.

ORDERS THERE ON

Public Private Partnership cell in BDA is constituted for monitoring the works of PPP projects implementing from concept planning to Execution maintenance and transfer of properties back to BDA after completion of concession period.

Following will be the members:-
